How about the Starbucks in front of King Soopers at the Applewood Shopping Center-right by the BLM State Office- literally 32nd and Youngfield?

I can be there at 8:15.

Todd - Monday I am heading west from the foot hills. So, I can go out I-70 and meet you anywhere from Evergreen and west (Silverplume, etc) assuming no tunnel closures. If the tunnel work is a significant delay, which I'll check, then I'll need to go 285. My plan is to be on the rd a little after 8 AM, so mtg 8:30 ish - somewhere off I-70 is doable. (There is a bagel shop/cafe in Bergen Prk or further works too.)

Let me know what works.

Early Monday by phone works. Or I can meet you for a coffee on the way out of town if you are heading west.

Hello Todd,

The few days have been occupied various spill events that have prevented me from getting back to you. Are you available sometime Monday AM while I am – early is probably best as I will be on the road.

Otherwise sometime later in the day Monday when I get to my hotel would work also.
